

PROSPECTUS
of the
Dayton Weekly Empire.

By RUBBIE & BROTHER,
(LAW OFFICES OF THE LOGAN COUNTY GAZETTE.)

Having taken charge of the DAYTON EMPIRE, we possess all the desired facilities for publishing a first-class paper, and we invite every subscriber to Prospects to the PATRIOTIC LINE, to become every-way-welcome to our organization and support.

The Empire will be a Democratic paper, without any profit or qualification. It will be for Constitution, for Law, for Liberty, for Peace. "The Empire is Person," and Napoleon said so, when he said, "I am not afraid of my enemies, because I am not by nature or fortune compelled to consider them, but by the force of the law, by argument, by facts, by appeals to the reason of the people."

This year of 1864 is destined to be memorable for us. It is the year of the great Patriotic Revolt, and the year of the final Union of the interior and final victory of American Liberty, with a corresponding Despotism, or Anarchy, which is more to be deplored than the former.

One of the conditions of Democratic success, which must be observed, is in a discernment of the hands of every man who will read them. If this were effected, all doubts of success would be removed. The people will decide in themselves, if they can only be informed.

To those who were readers of the

LOGAN GAZETTE

Will understand what is to be the character of the new paper. In addition to carefully prepared and sound Democratic editorials and selections, it will put out of

Life, Spice, and Variety.

A MARSH MUGWUP—having declined to take charge of the HAMILTON REPUBLICAN, and with "treasure" in the pocket, has now joined the "newspaper army" in the cause of "true" men.

The author of "THE SILENT HOTEL" "THE COFFEE" "DE MERE & DE BE" etc., will sing his merry songs as often as occasion inspects him.

There will be a new "GARIBOLDI" of a quantity of novels which will be published under one cover, and never be seen in number of the Weekly.

In addition to this, careful attention will be paid to the news of the Week Market Reports, and, in a word, all that goes to make a pleasant, reliable, and instructive "DAILY NEWS."

We send his Prospects to friends everywhere, until many of us hope to make friends in the belief and hope that they will assist in the establishment of a reasonably pure and Democratic paper.

TERMS: To single subscribers \$2 per annum, always in advance. After delinquency we have compiled so far as the **ETNA LIFE INSURANCE COMPANY** for Fire, Life, and Health Policies for Fifteen Dollars it is known to us, and we will do the same for Ohio where a sum may also be made up on these terms.

The Policy is sent to us in installments of \$6 per annum, or at once, or six months for \$3.

Plantation Bitters.

S. T.—1860-X.

Persons of sedentary habits troubled with weakness, palpitation of the heart, lack of appetite, distress after eating, torpid liver, constipation, &c., deserve to suffer if they will not try the celebrated

PLANTATION BITTERS

Which are now recommended by the highest medical authorities, and warranted to produce an immediate beneficial effect. They are exceedingly agreeable, perfectly pure, and most supercede all other tonics where a healthy, gentle stimulant is required.

They purify, strengthen and invigorate;

They create a healthy appetite;

They are an antidote to change of water and diet;

They overcome effects of dissipation and late hours;

They strengthen the system and calm the mind;

They prevent miasma and intermittent fevers;

They purify the breath and solidity of the stomach;

They cure dyspepsia and constipation;

They cure diarrhoea, cholera and cholera morbus;

They cure liver complaints and nervous headache;

They make the weak strong, the languid brilliant, and are exhausted nature's great restorer. They are composed of the celebrated camphor bark, wintergreen, saffron, roots and herbs, all preserving per cent. pure St. John's root.

Such are tens of thousands of certificates daily removed. They are immensely beneficial to weak persons and delicate females.

Be sure and re-filled bottles. See our signature on a fine steel plate label. They are not sold by the general. They are only sold in our patent fire cash bottles, by respectable druggists, grocers, hoteliers, restaurants, and country stores.
